Layout**

The bungalows & mobile homes are equipped with 2 bedrooms, 1 bathroom, kitchen and dining room and outdoor social area. Also there is a refrigerator, stove and basic kitchen tools, dishes, glasses etc. Bungalows are larger and have air conditioning in the kitchen/dining room. Average temperature in June is 23-27 degrees celcius (73 – 81F).

The resort provides sheets for the beds & towels, but no personal items like soap, shampoo, etc. They also provide mop, broom and basic cleaning equipment. They replace linings and clean the bungalow/mobile home once per week & pick up the trash bags daily.

People can use the 2 restaurants of the resort, but also there are so many nice places in the vicinity (15-20 minutes) to visit and to enjoy the Italian food. Optionally, guests can buy food at the resort supermarket or other supermarkets in the area and prepare your own food. In this case you have to buy any consumable product for your cooking (oil, salt, sugar, dish soap, etc).

The resort also offers ATM service, a boutique, free medical assistance and free wireless internet access.

It has great conditions for sailing: A great bay with good and stable winds (12-16 knots in June), short waves and a very nice sandy beach.

There are plenty of activities to do: beach volleyball, sailing, tennis, football, biking, climbing, kids play place, etc.

The average cost of a good dinner in their restaurant ranges from 15 to 30 Euros, depending on the selection.

## **TRAVELING TIPS**

The best way to save money is by **traveling in groups of 4 adults** sharing the bungalow/mobile home and rented car. The main room bed of the bungalow/mobile home is a queen size, but the sofas in the dining room are also very comfortable for sleeping.

The most convenient way to arrive to Italy is via ROME. Other alternative is via PISA. In any case, take a train to Grosseto or Follonica. If you want to enjoy freedom, rent a car in Grosseto or Follonica to go around Tuscany. Punta Ala is located at approx 30 minutes from Grosseto and 15 Minutes from Follonica.

Once you arrive to the Airport, do not forget to exchange Euro (at least 100 Euros) for your basic needs.

The train station have automatic ticketing machines where you can pay using cash (Euros). Look for “Intercity” (IC) or Eurostar (ES) train types for a faster trip. First Class is recommended specially for your comfort and space for your luggage. The monitors at the train station will indicate the “binario” (track number) to take... Keep checking it, since sometimes are changed at the last minute. Be prepared to come down of the train in Grosseto, since normally the doors remain open for approx. 1 minute only, before continuing to the next city.
